

# NEW F1 COMPUTER STORE OPEN FOR BUISNESS

A new tech store opened just last week in south central PA. **F1 Tech** sells everything from game consoles to smartphones and microcomputers. They guarantee to have constant stock of the super rare RTX 3000 series and RX 6000 series graphics cards **AT MSRP**.

“It's a techie's dream come true!” - A new shopper after their first time at F1 Tech

## GROUNDBREAKING PRICES

A new workstation from F1 Tech will run you just **\$200** for a quad core processor, 8gb of ram, and a 500gb SSD. Perfect for most people out there who just need to check their emails and use Microsoft office.
